

JOHNSON JORDAN.

JANUARY 10, 1832.

Mr. HUBBARD, from the Committee on Revolutionary Pensions, made the following

REPORT:

*The Committee on Revolutionary Pensions, to whom was referred the resolution to inquire into the expediency of placing the name of Johnson Jordan on the list of revolutionary pensions, report:*

That it appears, by the statement of the petitioner, under oath, that he enlisted the first of June, 1778, in Captain Traffin's company, in Colonel Tappan's regiment, of the Rhode Island line; and that he served until March, 1779, being more than nine months. This statement is fully confirmed by the depositions of Charles Greene and William Greene; and the magistrate, before whom the depositions were taken, has certified that the deponents are credible witnesses. It is fully shown, by the affidavits of the Selectmen of the town where the applicant lives, that he is wholly destitute of property.

It further appears, that the applicant made application on 23d of April, 1818, to be placed on the pension roll, under the act of March, 1818, but was refused on the ground that Colonel Tappan's regiment was not on the continental line. It is known to the committee, that persons who did serve in this same regiment, have been placed, by the special legislation of Congress, on the list of pensioners; and the committee are of opinion that the applicant is equally entitled to relief. They, therefore, report a bill.
